THE ARABIC STUDIO

Certificate of translation

SAMPLE - NOT AN ISSUED CERTIFICATE

This unfilled template illustrates certification wording. It does not certify an actual document, identify an actual signatory or establish acceptance by a receiving organisation.

Source language: Arabic | Target language: English

Document title / description: _____

Source document reference / date: _____

Translation pages / issuance reference: _____

Illustrative translator declaration

I certify that I am competent to translate from Arabic into English and that the attached translation is complete and accurate to the best of my knowledge and ability.

Translator full name: _____

Signature: _____ Date: _____

Translator / provider contact details: _____

Address / contact reference: _____

Stamp / issuance reference, where applicable: _____

Actual signatory details, wording and any required credential or additional formalities are confirmed for the receiving instructions in the agreed quote. Studio QR verification is an issuance check, not a substitute for a required professional credential or notarial act.
